The goal of this workgroup is to provide tangible recommendations to the vice president for research and innovation.

AWARDS & OPPORTUNITIES

OER Grant Opportunity: [Open Oregon Educational Resources seeks grant proposals](#) for faculty interested in using Open Educational Resources (OER) to reduce course materials costs in lower division courses. Grants range from adopting an existing open textbook to authoring a completely new OER for an area where few exist already. This opportunity also aligns with the university's [textbook affordability strategic plan](#). **Apply by June 23.**

Grant recipients have a full two years to fulfill the grant and the next round of funding won't be available again until 2025, so if you think you may be interested, we encourage you to apply. If you'd like to discuss a proposal idea or need assistance finding existing OER for your subject area, please reach out to Rayne Vieger (raynev@uoregon.edu) at any time.
