Faculty Success Newsletter

THIS WEEK! The Student Experience Survey opens Wednesday at 8:00am. Students have distinct, valuable insight to offer about the teaching and learning experience at UO and should be encouraged to submit their surveys.

University Communications is also encouraging students to share their feedback, but we still need your help. Be sure to emphasize to students that their feedback matters to you and, if you can, allow class time in week 10 for survey submission.

Check out the [Instructor Guide to the Student Experience Survey](#) for more ideas for increasing response rates and to find the new Instructor Dashboard to see your feedback over time.

Surveys close on Monday, December 5 at 6:00am, so communicate with your students early and often about submitting feedback.
