

## UO Elements

### Teaching Activity Types

Teaching data is imported via Banner. Data related to research-based supervision and graduate examinations are from the Clark Honors College (undergraduate students) and the Division of Graduate Studies (graduate students). Other data can be entered manually by faculty or their designee(s). Refer to your [unit Review and Promotion policy](#) or discuss the placement of teaching activity with your unit head.

| Activity Type                                              | Subtype Option                                                                                                                                                                                                   | Notes                                                                                        |
